

• THE FACTS •

You are holding the ultimate Spirulina on Earth. It is also the ultimate superfood...thus, its name.

Why? Because this is one of the oldest natural sources of dense nutrition ever discovered.

Why? Because it's the ultimate source of Protein, Beta-Carotene, Chlorophyll, Omega Fatty Acids, Anti-Inflammatory agents, & B-complex, including human active B12 (the only vegan source).

And finally, it is the only Spirulina that is USP certified for purity, quality, cleanliness, & certified Organic, Kosher & Vegan.
